Responsibilities

Auxis is a management consulting and outsourcing firm focused on helping senior executives achieve Peak Performance in their back office so they can become more scalable, cost-effective and innovative. Our areas of focus include: Nearshore Outsourcing, Cloud Computing, Shared Services, RPA, Help Desk & Desktop Support and Finance & Accounting.

Skills and Experience

B2+ English Level.

Able to work with a hybrid work from home/in the office schedule.

We're seeking individuals with flexible schedules available for weekend shifts, including some nights.

Junior positions need a high school diploma, senior roles ongoing college education, and supervisor positions require a completed university degree

About Auxis

Auxis is able to deliver these results through a combination of customized solutions including Nearshore Outsourcing from Latin America (F&A, Customer Service, IT), Shared Services, Robotics Process Automation (RPA), and BI. Auxis solutions consistently deliver rapid paybacks, cost savings of 30%+, improved controls, enhanced operational visibility, and greater organizational focus on value-creation activities.

With a 27+ year track record, Auxis has been recognized as one of the Top 100 Global Outsourcing Providers by IAOP for four years in a row (2016-2023). Auxis' unique perspective as both advisor and outsourcing operator allow its clients to obtain real-world perspectives and significant ROI from every engagement.
