## Bim Architect

[Apply Now](#)

Company: Uptalent.io

Location: Medellín

Category: other-general

At Uptalent.io, we are a leading technology startup, specializing in creating powerful connections between the most exciting companies and exceptional remote talent from Latin America. Our foundation is built upon the belief that geography should never limit access to top-tier professionals, and we are committed to reshaping the traditional recruitment landscape.

We are seeking a highly skilled and proactive individual with a strong background in BIM architecture and extensive experience catering to the US Market. Your in-depth knowledge of US building systems, local codes, and working culture will be vital in delivering outstanding projects for our clients.

### Requirements

Expert in Revit/ Archicad with several years of experience working for the US Market.

Versatile profile able to support the complete lifecycle of architecture projects:

Construction Sets, Building permits, 3d modeling, Visualization and client presentations.

Fluency in English, both written and oral.

Availability for full-time positions.

Proactive and great communication skills. Able to develop strong relationships with clients.

Candidates must live in Latin America.

## Benefits

Work for the most exciting companies in the North American Market.

Flexible schedules.

Work from anywhere.

Highly competitive compensation.
