Coffee Axis Support Technician

[Apply Now](#)

Company: Intexus

Location: Colombia

Category: computer-and-mathematical

We are a company founded in Bogotá in 1997 as providers of integrated hardware, software and data capture devices solutions for identification card issuance applications and personnel attendance control solutions for the settlement of hours worked by the employees. We have more than 25 years of experience in the Colombian market with more than 1,500 solutions implemented.

We are looking for an **electronics technician or a student of maximum 5 semesters** with specific knowledge in Computer and Printing Systems with 2 years of experience in the maintenance and adaptation of computer and printing equipment - on-site support at external customer service points. **MANDATORY TO LIVE IN THE COFFEE AXIS** Functions:

1. Attend and solve technical problems presented by the equipment through the execution of preventive and corrective maintenance activities.
2. Address corporate requirements through different communication channels, such as telephone and/or email, of all members of the organization and its clients.
3. Prepare reports corresponding to the activities carried out. Safeguard the organization's assets such as equipment, tools, supplies, spare parts, technical manuals, digital or printed information, money, etc.
4. Comply with the dates and times scheduled for the execution of services.
5. Make the respective expense ratios associated with the execution of activities.

Education level: technical support technician.

Salary: Basic salary **\$1,400,000** plus cellular assistance + mobility assistance + availability

guards plus average legal benefits

Hours: Monday to Friday 8:00 am - 6:00 pm. With availability on weekends.

Workplace: **Armenia, Pereira or surrounding areas**

Contract type: Indefinite Term
