Field Service Representative-MultiChem, Associate

[Apply Now](#)

Company: Halliburton

Location: Yopal

Category: office-and-administrative-support

We are looking for the right people — people who want to innovate, achieve, grow and lead. We attract and retain the best talent by investing in our employees and empowering them to develop themselves and their careers. Experience the challenges, rewards and opportunity of working for one of the world's largest providers of products and services to the global energy industry.

Under direct supervision this position assists in maintaining customer relationships and setting up and maintaining chemical injection systems. This person must be knowledgeable in product flow lines, including flow line applications and flow line valves. Must also maintain knowledge of pressure dynamics. Travel to customer wells in a company vehicle to catch samples, install and/or relocate injection sites and treat wells with the necessary applications. Responsible for maintaining and servicing chemical pumps. Assists in identifying and pursuing new customers and participating in presentations when requested. Must maintain appropriate truck logs in accordance with DOT guidelines. Follows all company safety policies and procedures. Position requires a Class A CDL with Hazmat endorsement. Minimum high school diploma or GED. Skills are typically acquired through one year of experience in production chemicals or oil and gas industry.

Halliburton is an Equal Opportunity Employer. Employment decisions are made without regard to race, color, religion, disability, genetic information, pregnancy, citizenship, marital status, sex/gender, sexual preference/ orientation, gender identity,

age, veteran status, national origin, or any other status protected by law or regulation.
