Job Title: Financial Analyst - Private Equity (Latam)

Location: Remote (EST Timezone)

Working Schedule: Monday - Friday 9 AM to 5 PM EST

Role Overview:

Join our prestigious private equity firm and contribute to high-stakes financial projects as our new Financial Analyst. This position demands expertise in financial modeling, including LBO and cash flow analyses, along with an adept understanding of supply chain operations. We are seeking a proactive, extroverted individual who thrives in a fast-paced environment and communicates effectively in English.

Responsibilities:

Design and execute LBO (Leveraged Buyout) models to evaluate the financial viability and strategic fit of potential investments.

Develop comprehensive 13-week cash flow forecasts to assist in short-term financial planning and liquidity management.

Analyze financial data to identify trends, perform variance analysis, and provide actionable insights.

Collaborate with supply chain teams to enhance financial efficiency and supply chain effectiveness.

Present complex financial information in a manner that is easily understandable to stakeholders, including non-finance professionals.

Requirements:

Proficiency in Microsoft Excel and PowerPoint.

Skilled in financial modeling software such as NetSuite, IBM Planning Analytics, or similar.

Demonstrable experience with data analytics tools and methodologies.

Strong background in finance or accounting; CFA or equivalent professional certification preferred.

Outstanding verbal and written communication skills in English.

Qualifications:

Bachelors degree in Finance, Economics, or a related field.

At least 3-5 years of relevant experience in financial analysis, preferably in a private equity context.

Deep understanding of supply chain processes and financial implications.

Extroverted personality with excellent interpersonal skills to interact effectively with all levels of management and staff.
