

# Colombia Jobs Expertini®

## Full Stack Developer

[Apply Now](#)

Company: Seva Development

Location: Colombia

Category: computer-and-mathematical

We hire development and testing experts for small and medium SAAS companies around the world.

### The Role

#### You will be responsible for :

**Full-Stack Development:** Contribute to both the client and server sides of our applications, ensuring a seamless integration between frontend and backend functionalities. You'll be assigned a feature or feature set, and will be expected to implement that feature in both the frontend and backend.

**Backend Proficiency:** Develop and maintain robust backend services with Java, Python, or C#. You should be comfortable with concepts such as database integration, API development, and server-side logic.

**Frontend Expertise:** Implement UIs using React or a comparable frontend framework. You should be able to translate design wireframes into high-quality code.

**Collaborative Workflow:** Work hand-in-hand with other developers, designers, and product managers to bring software solutions to life.

**Problem-Solving:** Apply critical thinking to solve complex problems and bug fixes, ensuring the highest level of performance and user experience.

### Ideal Profile

You possess a Degree/Diploma in Computer Science, Engineering or related field.

You have at least 4 years experience, ideally within a Software Engineer role.

Familiarity with at least one backend language: Java or C#.

Experience with frontend development using React or a similar framework.

Basic knowledge of database systems, both relational and non-relational.

Ability to write clean, readable, and maintainable code.

Git proficiency.

Excellent communication skills and the ability to work well in a teamwork-oriented environment.

A strong foundation in computer science, with competencies in data structures, algorithms, and software design. We want good general programmers!

Ability to effectively work a FULL U.S. time zone (Pacific, Mountain, Central, or Eastern)

### **What's on Offer?**

Excellent career development opportunities

Opportunity to make a positive impact

Work alongside & learn from best in class talent
