

Colombia Jobs Expertini®

FULL STACK DEVELOPER

[Apply Now](#)

Company: Vistingo

Location: Colombia

Category: computer-and-mathematical

Do you know the perfect equation to support, motivate and obtain the maximum potential of your employees in an organized and entertaining way? Vistingo is a digital, interactive platform based in Positive Psychology, targeting employees' emotional wellbeing and their enjoyment in the workplace; developing social corporate responsibility that results in a higher productivity. Organizational development benefits are countless: personal development, interpersonal competence, participation, commitment, work satisfaction and work democracy feelings amongst employees. It is about contributing to make talent bloom in every worker that connects the business chain. Vistingo's innovative platform offers a huge range of features that contribute to the emotional salary and social benefits, i.e.: events, clubs, discounts, participative ranking of employees and agenda of contents such as cultural plans, healthy lifestyle and family life. Also, during crisis periods, it offers a fantastic support, being possible to digitally interact with each employee to obtain a clear idea of their needs and worries. With this feedback, you can facilitate them with the necessary to keep performing at the required level. Vistingo helps you look after you employees first, so the rest comes by.
