

Colombia Jobs Expertini®

Full Stack Developer

[Apply Now](#)

Company: LatamCent

Location: Medellín

Category: computer-and-mathematical

Summary:

is transforming the way today's most successful companies develop breakthrough roadmaps leveraging Cloud-Based Technologies to boost efficiency, ensure compliance, deliver actionable insights and lower cost of total ownership.

SourceFuse is looking for an experienced Senior full stack C#/React engineer to join our team for our cloud based .NET modernization practice.

Essential Duties & Responsibilities:

- Key contributor to microservice development in C# using SOLID, Clean, and functional concepts

- Creating message consumers/producers in C#

- Excellent knowledge of containers and/or serverless in AWS.

- Key contributor to micro-frontend development in TypeScript and React

- Developing new user-facing features using React.js

- Building reusable components and front-end libraries for future use

- Translating designs and wireframes into high quality code

- Optimizing components for maximum performance

- Virtual DOM manipulation

Experience with popular React.js workflows (such as Flux or Redux)

Knowledge of isomorphic React is a plus

Experience with RESTful APIs

Knowledge of modern authorization mechanisms, such as JSON Web Token

Experience with common front-end development tools such as Babel, Webpack, NPM, etc.

Ability to understand business requirements and translate them into technical requirements

Qualifications:

Advanced English Level (C1/C2 preferred)

+7 years of experience with C# & TypeScript

Experience with core AWS Service - ECS Fargate.

Experience with React

Understanding of data security principles

Understanding of SOLID design principles and reactive architectures

Able to evaluate business needs and implement solutions and strategy

Ability to interact and communicate effectively with stakeholders, end users, and business subject matter experts

Ability to work as a team player and collaborate with cross-functional teams

Experience and ambition to work in a global setting

Salary & Compensation:

\$3000 - \$3500/month [USD]

Full Time Contractor
