

Junior Accountant (m/f/x)

[Apply Now](#)

Company: Tipico

Location: Medellín

Category: business-and-financial-operations

Company Description

Our Lineup

We are Tipico, a team of teams and the biggest sports-betting operator in Germany. Our goal is to amplify the emotions of millions of people experiencing sports every day. We are driven by our core values **passion, progress and trust** to secure the best possible product for our users on a daily basis.

Job Description

Your playing field:

Complete end-of-month close procedures. Research & Reporting.

Prepare income tax returns and corporate reporting requirements. (Local)

Preparation of withholding tax and VAT declarations (Local)

Preparation of local report in the transfer pricing tax reporting strategy defined by Tipico Group

Post and process accounting ledger entries and bookings.

Prepare and submit weekly/monthly reports (TB, actuals VS Budget, weekly bank movements, etc.)

Full payroll process for German and US operations as well as support staff (calculate the differentials for each employee, post into the payroll system all the news for the payroll like

sickness leave, vacations, etc), elaborate the payroll receipt and send it to employees.

Qualifications

Who we're looking for:

Exemplifies our values – Trust, Passion and Progress

Confident appearance and excellent know-how in conducting negotiations

Innovative-thinking and enjoy working in an agile-driven company

Proactive mindset with a great ability to work independently

Preferable experience within the Cloud provider/operator industry

Which skills should you bring to the pitch:

Working experiences within Business Information Systems

Advanced analytical skills, business transaction analysis, creating analytical models and calculations, strong accounting knowledge

Budget development and management skills

Building and maintaining strong business relationships at multiple levels of the organization

Affinity to adapt quickly and work with new technologies

Fluent in English, verbal and written

Additional Information

What's in it for you:

Start-up feeling in a high-volume business and working in an exciting growth industry

Trainings (internal/ external) and further qualifications programs

Sponsored company and team events

Relocation Support
