## **Logistics Coordinator**

### **Apply Now**

Company: Tacrockford Location: Honda Category: other-general

As Logistics Coordinator at TAC Rockford you will play a crucial role in ensuring the smooth flow of goods in and out of the organization. This role encompasses a diverse range of responsibilities including managing incoming and outgoing shipments, performing officerelated tasks, and handling international shipping logistics. We promise this isn't your ordinary warehouse job. The workday will involve a combination of hands-on warehouse duties and office-based responsibilities requiring multitasking, attention to detail, organizational skills, and excellent communication skills.We don't anticipate you'll know a lot about what we do or how we do it so extensive on-the-job training will be an ongoing part of the position. We need someone with the flexibility to handle the unusual and a desire to learn new things. Curiosity and questions are strongly encouraged. How to ApplyE-mail your resume along with a note telling us why you believe working at TAC Rockford in this role is a great fit for you to careers@tac.us. Only applications including both will be considered.Key ResponsibilitiesReceive incoming shipments, verify the contents against purchase orders, and inspect for damagesPrepare and pack items for outgoing shipments: noting item contents, delivery methods, and other logistical detailsCoordinate with shipping carriers and schedule pickups as neededMonitor and maintain accurate inventory levels. Investigate and resolve discrepancies between physical and system inventoryCollaborate with suppliers, customers, and team members to resolve discrepanciesMaintain an organized and efficient work environmentWork to fully understand customer needsDoing anything and everything that needs to get done in a small company (the "many hats" cliché applies here)Preferred Background/QualificationsA problem-solving and organized approach to the day's

challengesComputer proficiencyAbility to lift and move products and packages of various sizes and weightsExcellent organizational and time-management skillsEffective communication skills: interpersonal, telephone, and writtenAn appreciation for all things mechanicalA positive attitude, a keen eye for detail, and a passion for making people smileCuriosity and ability to learn and apply new information quickly (this is super important)Desirable qualifications (preferred but not required)Experience in shipping and receiving or a similar roleInterest in mechanical or technical productsFamiliarity with general office procedures, practices, and equipmentKnowledge of common business documents (purchase orders, quotes, invoices, etc.)International fluency and foreign language skills (a lot of our customers and suppliers are outside the US)QuickBooks accounting software experienceMeet TAC RockfordFounded in 1991, TAC Rockford is a small, family-owned company that serves manufacturers globally with products that improve manufacturing productivity and keep equipment running. Our customer base includes a lot of companies you've heard of (Boeing, SpaceX, Woodward, GM, Honda, Caterpillar, Fender, Apple, NASA, Facebook) as well as small to midsize companies you're probably not familiar with that are just as key to global manufacturing. Our products help manufacturers sleep at night. No, not by tucking them into bed with hot cocoa, but by providing them with tools and equipment to ensure their machines are doing what they're supposed to do.We are a fun, laid-back group of people located in a newly renovated 1900s era building in Rockford's vibrant downtown. TAC Rockford is actively involved with several organizations including FIRST Robotics teams and Rockford MakerSpace. This position is full time and in-personHours are flexible but are typically within normal business hoursCompensation \$16-\$20 (based on skills and experience)401k with high company matchPaid vacation and holidays (including your birthday and a Ferris Bueller's Day Off)Rockford MakerSpace membership (www.RockfordMakerSpace.com) #J-18808-Ljbffr
