Manager/Senior Manager Corporate Finance (m/f/d)

[Apply Now](#)

Company: Finance in Motion

Location: Bogotá

Category: other-general

Overview

Finance in Motion is a global impact asset manager focused exclusively on sustainable development in low and middle-income countries. The company develops and advises impact investment funds whose blended finance structures bring together public and private investors to address climate change, strengthen biodiversity conservation, foster the sustainable use of natural resources, improve livelihoods, and promote economic opportunities.

Over the course of its operations, Finance in Motion has unleashed a cumulative total of over EUR 5.4 billion toward these goals in Southeast Europe, the Caucasus, Latin America, the Middle East and North Africa, and sub-Saharan Africa. In addition to investment activities, the funds also provide technical assistance to support investees, foster responsible finance, and maximize impact in the countries they serve.

Since its foundation in 2009, the company has consistently recorded year-on-year growth and expanded into new regions and topics. Due to this ongoing success, Finance in Motion is seeking a

Manager/Senior Manager Corporate Finance (m/f/d)

Key Responsibilities:

Leading the development of corporate direct investment strategies for EBF and LAGREEN in Latin America.

The Manager/Senior Manager will report regionally to the Regional Head for Latin America

and the Caribbean and functionally to the global Director of Corporate Direct Investments, and will be in charge of:

Designing and performing market and sector analyses focused on defining and sizing the corporate direct investment market for funds managed by Finance in Motion in Latin America – the eco.business Fund and LAGREEN

Identifying potential / high value potential investees and transactions in EBF's and LAGREEN's target markets

Lead the corporate direct investment team in the region to achieve EBF's and LAGREEN's targets.

Overseeing corporate finance transactions in Latin America, working closely with the global corporate finance structuring team, regional origination teams, internal Finance in Motion teams (Risk, Compliance, Legal etc.), third party advisors, lead arrangers and transaction advisors, and prospective investee companies

Leading origination of and pipeline development of new corporate finance opportunities as per the corporate finance strategy, and in line with Fund Mandates and regional strategies

Development of market partnerships and other initiatives aligned with defined corporate direct investment strategies

New product development and transaction structuring innovations, informed by origination efforts and market partnerships, in coordination with other Finance in Motion teams internal teams

Overseeing monitoring of the corporate finance portfolio in Latin America

Contributing to development of portfolio risk modelling and exposure management frameworks for corporate direct investments, in coordination with other internal departments e.g. Risk Management

Manage performance and progress of the junior staff

Leading targeted policy dialogue with relevant stakeholders in the region

Representing and positioning FiM, including participation in conferences, workshops, etc.

What we expect:

Degree in Economics, Business Administration, Development Finance, or a related field

Significant relevant professional experience assessing risks of financial institutions

Willing to travel to the countries of operations as necessary

Ability to interact at different corporate levels and with external parties and stakeholders with confidence and clarity

Ability to organize and prioritize work, meet deadlines, and oversight projects

Staff management experience with an open and inclusive leadership style Pro-active, creative, self-motivating attitude

Demonstrable commitment to Finance in Motion's vision/mission

What you can expect:

An agile, widely diverse international working environment with over 60 nationalities that is keenly interested in making a positive difference through their work and who share a collaborative, can-do spirit

A job that allows you to fully utilize and expand your skills within an innovative, hands-on company culture

A purpose-driven, performance-oriented company that rewards above-average results

An organization dedicated to providing effective training and upskilling to its employees

We are 300 plus employees working from our 16 offices worldwide are dedicated to promoting sustainable development through market-based finance solutions. If you enjoy tackling complex challenges in a hands-on manner and are seeking an adaptable and motivating work environment, we would very much like to hear from you.
