

## Pharmaceutical chemist

[Apply Now](#)

Company: Confidential

Location: Bucaramanga

Category: life-physical-and-social-science

We are a leading company in the healthcare field, dedicated to providing excellent pharmaceutical services nationwide, especially in outpatient settings. In this search, we are interested in incorporating a **Pharmaceutical Chemist in Bucaramanga** into our team of professionals, who shares our commitment and passion for the health and well-being of our users. We are looking for a professional with solid training and experience in the outpatient (dispensing) field with deep knowledge of current regulations, as well as a detailed understanding of the technical practices and regulations related to the area.

### Features:

Coordinate the technical management of the pharmacy network, ensuring its alignment with current legislation.

Supervise the storage and inventory of special control medications in the pharmacy network.

Direct the implementation of standards issued by regulatory entities in the health sector for the storage, distribution and dispensing of pharmaceutical products in pharmacies.

Manage the registration of pharmacies with the health service, keeping the information updated with the health secretary and the national narcotics fund.

### Qualities:

Exceptional communication skills: Effective communication is essential in our work environment.

Dedication and commitment: We are looking for committed individuals willing to invest time and effort to offer the best service to our users.

Leadership Skills: The ability to lead teams and make effective decisions is essential in our dynamic environment.

Teamwork skills: Collaborating effectively with other health professionals in the search for comprehensive solutions is crucial.

Analysis and problem solving: In the healthcare sector, we face constant challenges, so we value those who can analyze complex problems and find effective solutions.

**Conditions:**

Salary: \$4,000,000 + legal benefits.

Contract: Fixed term, direct with the company.

Work schedule: Monday to Friday (7:20 AM - 5:00 PM) and Saturdays (8:20 AM - 12:00 M).

If you meet these requirements and are motivated to join a team passionate about the health and well-being of the community, we invite you to consider the opportunity to work with us. We offer a stimulating work environment, professional development opportunities, and an ongoing commitment to improving healthcare in our country.
