The Position:

We're looking to hire a Product Manager to join our team. You'll work with our incredible clients in one of two ways:

Team Augmentation: You will integrate yourself directly into our client's team and work alongside their existing designers and engineers on a daily basis.

Design & Build: You will work on a FullStack product team to build and deliver a product to our clients.

What We're Looking For:

3+ years of professional Product Management experience.

Proficiency in managing CMSs.

Familiarity with content search products and digital asset management systems.

Experience in content modeling.

Strong understanding of common product management practices.

Advanced English is required.

Experience working on Agile / Scrum teams.

Successful completion of a four-year college degree is required.

Ability to take extreme ownership over your work. Every day is a challenge to ensure you are performing to the expectations you and your team have agreed upon.

Ability to identify with the goals of FullStack's clients, and dedicate yourself to delivering on the commitments you and your team make to them.

Ability to consistently work 40 hours per week.

What We Offer:

Competitive Salary.

Paid Time Off (vacation, sick leave, maternity and paternity leave, holidays).

100% remote work.

The ability to work with leading startups and Fortune 500 companies.

Health policy with Sura 100% for you and up to 4 primary family members.

English Classes.

Food card.

Virtual company events each month.

Ample opportunity for career advancement.

Continuing education opportunities.
