SAP Extended Planning Analytics - xP&A Senior Consultant

[Apply Now](#)

Company: SAP

Location: Bogotá

Category: business-and-financial-operations

We help the world run better

Our company culture is focused on helping our employees enable innovation by building breakthroughs together. How? We focus every day on building the foundation for tomorrow and creating a workplace that embraces differences, values flexibility, and is aligned to our purpose-driven and future-focused work. We offer a highly collaborative, caring team environment with a strong focus on learning and development, recognition for your individual contributions, and a variety of benefit options for you to choose from. Apply now!

What you'll do

As an SAP Extended Planning Analytics - xP&A Senior Consultant, you will:

Advise customers end-to-end on strategic (Planning / Profitability & Performance) processes, and occasionally lead sub-project teams.

Define and implement the best solutions for financial, marketing, sales, HR, supply chain planning, and traditional Enterprise Profitability & Performance Management (PaPM), with an emphasis on efficiency, scalability, and performance.

Understand SAP Best Practices and translate customer goals into an adequate roadmap design, including new functionalities and support.

Support the development and execution of Innovation Roadmaps, and assist customers in achieving a state-of-the-art Innovation Roadmap.

Be actively involved in the planning, realization, and deploying of SAP Planning /

Profitability implementation projects.

Demonstrate expert knowledge of modeling standards and tools, and act as a Functional Architect on complex implementations.

Support consulting and license pre-sales opportunities.

What you bring

As an ideal candidate, you should have:

At least 7 years' experience in SAP applications consulting, including multi-country strategic financial and/or analytics solutions.

At least six completed full cycle implementations / project participations.

2-3 years' experience in SAP (as a key user or consultant), including at least 1 year of SAP Solutions: SAC-Planning, SAP Profitability and Performance Management or Business Planning and Consolidation (BPC) experience.

Strong teamwork, communication, and problem-solving skills, alongside a strong executive presence and leadership abilities.

In-depth understanding of industry specific business processes.

Fluency in Spanish (native desirable) and English (minimum B2 level); Portuguese is a bonus.

Knowledge of SAP Activate - Agile Methodology for implementation.

SAP Certifications such as BPC, SAC, SAC-Planning are considered a significant advantage.

Implementation experience of SAP Analytics tools, like SAC, Datasphere or BW is a plus.

Meet your team

You will be part of our rapidly expanding Analytics & Insights team, operating at the cutting edge of cloud technology as part of the SAP Business Technology Platform (BTP). Our team's responsibility is to implement SAP Analytics solutions, utilizing SAP best practices, business content, procedures, and recommendations to drive growth and success. Your role as a senior consultant will be crucial in leading this implementation and contributing to team and customer success.

We build breakthroughs together

SAP innovations help more than 400,000 customers worldwide work together more efficiently and use business insight more effectively. Originally known for leadership in enterprise resource planning (ERP) software, SAP has evolved to become a market leader in end-to-end business application software and related services for database, analytics, intelligent technologies, and experience management. As a cloud company with 200 million users and more than 100,000 employees worldwide, we are purpose-driven and future-focused, with a highly collaborative team ethic and commitment to personal development. Whether connecting global industries, people, or platforms, we help ensure every challenge gets the solution it deserves. At SAP, we build breakthroughs, together.

We win with inclusion

SAP's culture of inclusion, focus on health and well-being, and flexible working models help ensure that everyone – regardless of background – feels included and can run at their best. At SAP, we believe we are made stronger by the unique capabilities and qualities that each person brings to our company, and we invest in our employees to inspire confidence and help everyone realize their full potential. We ultimately believe in unleashing all talent and creating a better and more equitable world.

SAP is proud to be an equal opportunity workplace and is an affirmative action employer. We are committed to the values of Equal Employment Opportunity and provide accessibility accommodations to applicants with physical and/or mental disabilities. If you are interested in applying for employment with SAP and are in need of accommodation or special assistance to navigate our website or to complete your application, please send an e-mail with your request to Recruiting Operations Team: Careers@sap.com

For SAP employees: Only permanent roles are eligible for the SAP Employee Referral Program, according to the eligibility rules set in the . Specific conditions may apply for roles in Vocational Training.

EOE AA M/F/Vet/Disability:

Qualified applicants will receive consideration for employment without regard to their age, race, religion, national origin, ethnicity, age, gender (including pregnancy, childbirth, et al), sexual orientation, gender identity or expression, protected veteran status, or disability.

Successful candidates might be required to undergo a background verification with an external vendor.

Requisition ID: 388823 | Work Area: Consulting and Professional Services | Expected Travel: 0 - 10% | Career Status: Professional | Employment Type: Regular Full Time | Additional Locations:#LI-Hybrid.
