

Senior Data Scientist

[Apply Now](#)

Company: CSG

Location: Bogotá

Category: computer-and-mathematical

At CSG, you're more than your resume. We want your diverse perspective and unique background to help us enrich the work we do together. We believe that by channeling the power of all, we make ordinary customer and employee experiences extraordinary.

Channel the power of YOU and begin the journey to becoming a CSGer.

What you'll do?:

You will report to the Senior Manager of Product Operations interpreting the needs of the business and stakeholders to the appropriate data science techniques and tools including but not limited to ML, NLP, Neural Networks, Predictive Modeling

Develop and code software programs, algorithms, and automated processes to cleanse, integrate, and evaluate large datasets from multiple sources.

Apply various quantitative methods, including regression, multivariate, and graphical methods to analyze and interpret information from complex data sources.

Devise and utilize algorithms and models to mine big-data stores; perform data and error analysis to improve models; clean and validate data for uniformity and accuracy.

Enhance data collection procedures to include relevant information for building analytic systems and models to deliver strategic-focused solutions to serve our clients.

Monitor performance and advise on necessary infrastructure changes.

You should have:

This role requires an independent self-starter with a strong affinity for numbers and quantitative data. We are seeking candidates with:

Bachelor's degree in technology (Computer Science, Data Science, Information Technology or equivalent degree)

3-5 years of experience in data visualization

Experience coding with Python for data analysis and performance tuning for deployment of large scale enterprise deployment

Experience working with Power BI.

Experience working with AWS environments.

Perks & Benefits:

Work from Home

Medical & Dental Coverage

Life Insurance

Meal allowance

And so much more!

Location(s):

CO.Bogota.Office
