Company: Publicis Groupe

Location: Colombia

Category: other-general

Full-time
Company Description At Publicis Groupe, we are looking for a Production Manager fluent in English to join our production Hub at Publicis Global Delivery, our talent powerhouse, the global interconnected network that provide offshore & nearshore solutions for our partners - sister companies' business worldwide. We are a never sleeps machine of creation that continuously grows and mutates to become a more efficient and collaborative system. A cross-media transformation agent, based in Argentina, Colombia, Costa Rica and Mexico, that provides centralized expertise of all Publicis Global Services' capabilities to enable consistent and standardized delivery across Media, Production, Commerce, Content, Data & Technology.
Job Description What you'll do: Leading global post-production and integrated creative content agency is seeking an experienced Senior Post Producer to support the New York motion team. The ideal candidate for this position will be highly organized, experienced in all aspects of production from Offline to Online, and an effortless multi-tasker. The Senior Post Producer will report directly to the Executive Producer in New York
Responsibilities Produces day to day jobs for a variety of clients. Oversees projects from offline to online and delivery for various production types and handles detailed management and oversight of all assigned projects; assures quality control. Manages daily requests within production department. Aids in the development and organization of support materials for the production team and client meetings. Interacts with other departments to ensure both agency & client needs are met. Assists in scheduling freelancers for overflow work. Assists with production support, research, organization, and reporting. Handles bidding, scheduling, and billing of all projects. Interacts with other

departments to ensure both agency & client needs are met. Fosters relationships with other PXP offices in the North and South American network + Oversees delivery of final assets to trafficking partners. Other duties, as required and assigned. Location & Commitments Full-time role, currently Hybrid Status Assuming in-person/in office will resume as a hybrid approach to workweek Travel may be required for production needs. Overtime may be required to deliver on client projects and deadlines. Qualifications We're looking for strong, impactful work experience, which typically includes: 5-7 years of experience in post-production. An undergraduate degree in film/media is preferred. Dynamic, creative personality, effectively engaging idea to action Passionate, driven, proactive, curious and ability to thrive in a dynamic, fast-paced, high-expectation environment. Strong sense of priorities with the ability to manage multiple asks/tasks. Deep knowledge of video content production, evaluating idea(s) in approach, artists, costs, timing, production to final delivery. Can do attitude, always providing clients with solutions.
