Software Engineer - Full Stack page is loaded SoftwareEngineer - Full Stack Apply remote type Remote locations ColombiaRemote time type Full time posted on Posted 30+ Days Ago jobrequisition id 26537 Hi, I'm Juliana Restrepo , your Recruiter. AtCSG, we choose to see beyond a resume paper. We put your story,perspective, background, and what you have to offer first. Whilethe traditional approach works for some, many miss out on fantastictalent like yourself, and we refuse to make that mistake. Instead,we believe that by channeling the power of all, we make ordinarycustomer and employee experience extraordinary. We are looking fora Software Engineer - Full Stack who will - You will report to theSoftware Development Director to contribute towards designing,writing code, modifying, and debugging CSG product applicationswhile analyzing and performing bug verification, release testing,and beta support for assigned products - You will partner with theend user to establish requirements and complete technicaldocumentation - You will understand development processes frombeginning to end, including specification, documentation, andquality assurance - Be adept at learning new programming languageswith guidance while performing unit and system testing Is thisopportunity right for you? We are looking for candidates who: -Bachelor's degree in Computer Science, Computer Engineering,related field, or equivalent experience - 3 to 4 years ofdevelopment experience - Experience in Backend and FrontendLanguages, such as .Net or C# and Angular.js. - Experience in SQLor relational Databases - Proficient in English in a businessenvironment - Knowledge of AWS or Azure Our Guiding PrinciplesImpact: Always help and empower others, whether they're colleaguesor customers. When our employees set their minds to something,great things

happen. Integrity: Do what's right for our customers and our people while being authentic. We treat everyone with trust and respect—that's just who we are. Inspiration: Be bold in the way you think and passionate about the work you do. Test out innovative ideas without the fear of failure. Perks & Benefits - Work from Home, in-office, or hybrid - Paid Vacation, Birthday, Volunteer, and Holiday Time Off - Education Reimbursement - And so much more! - View More Benefits Our Story For over 40 years, we've serviced the world's most recognizable brands with future-ready solutions in customer engagement, revenue management, and payments that make ordinary customer experiences extraordinary. As a trusted technology provider in telecommunications, retail, financial services, and healthcare, our solutions impact over 900 customers in over 120 countries. Over 5,000 customer-obsessed CSRs in more than 20 countries made it possible and helped reach our \$1 billion in revenue milestone. Our Way of Life Our people power a culture of integrity, innovation, and impact. In return, we power our people with the choice to work from home, in-office, or a hybrid work combination that integrates well with their lifestyle. You'll find CSRs exercising this choice at most of our locations worldwide. We are committed to building and nurturing a diverse, supportive, and inclusive work environment where individuality is valued, and our people can flourish. We believe our workforce should reflect the world we live in and that we are stronger because of our differences. By embracing different backgrounds, attributes, experiences, and perspectives, we will help our employees, customers, and communities excel while, together, we work toward making social equality a reality. We are committed to making a bigger community impact by creating new opportunities and access for underrepresented communities, protecting the environment, and developing technology solutions that foster digital inclusivity. That's just who we are. If not us, then who? Follow us!
