Company: Prometeo Talent

Location: Bogotá

Category: business-and-financial-operations

Prometeo Talent is a #1 rated Recruitment Agency spread throughout America and Europe. We excel at connecting companies with exceptional tech and engineering professionals. Our HR and recruitment professionals are always ready to help companies and people find their right match.

We have recently partnerd with a Software Development company which provides a SaaS solution designed to help companies with their procesess.

## **The opportunity:**

Our partnet is looking for **accountant** to join **full time** a team that is leading implementation projects of accounting processes automation for our customers. You will help their customers to get the most out of our solutions and will proactively foster and grow relationships with them.

We are seeking a reliable, adaptable individual with a proven record of delivering results under pressure who will thrive as both a team player and as an individual contributor.

Candidates with experience in lease accounting will be treated preferentially throughout the application process.

## **You will:**

Participate in implementations to ensure that projects are implemented according to an agreed-upon timeline.

Collect, review, and analyze data and documents.

We have a great understanding of our customers' needs, their business processes, and their organizational structure.

**Requirements for this role:**

Accountant with at least 2 years of experience

Have excellent working capabilities with MS-Excel or Google Sheets

International accounting firm experience will be highly preferred

Excellent business English is a must

Degree in Accounting

Excellent interpersonal skills

A team player than can also work independently

“Can do” positive attitude

Critical judgement

Excellent verbal communication and business writing skills, ability to listen

Strong problem-solving skills

High sense of operational excellence, disciplined working, and effective time management

**Incredible benefits!**

USD Salary

10 days PTO + National Holidays from your country

Equipment

Flexible schedule

Fully remote
