

# Colombia Jobs Expertini®

## Staff Fullstack Nodejs/React Software Engineer

[Apply Now](#)

Company: GAP

Location: Colombia

Category: computer-and-mathematical

### WHAT WE DO

Founded in 7, Growth Acceleration Partners (GAP) is a consulting and technology services company. We consult, design, build and modernize revenue-generating software and data engineering solutions for clients. With modernization services and AI tools, we help businesses achieve a competitive advantage through technology. GAP's remote, integrated engineering teams use end-to-end solutions to innovate and align with your business goals. We have + English-speaking engineers based in Latin America and approximately U.S.-based engineers. With some of the highest customer satisfaction scores in the industry, GAP's focus is customer and employee success.

GAP is a woman-owned company headquartered in Austin Texas. We are a values-based company focused on growing our people by investing in education, onsite English classes and training in the latest technologies, including AI, data analytics and machine learning. Our goal is to provide solutions for our customers that help them achieve critical business outcomes, while enabling our GAPSters and our communities to attain long-term success.

### Position Profile

The position is for a Full Stack Engineer with experience with Nodejs and front-end development with React. They must write in JavaScript using Nodejs and Reactjs as well as being able to code backend with Python. They must know CSS and HTML extensively in addition.
