

Tool Room Custodian (Vacante Futura)

[Apply Now](#)

Company: Amentum

Location: Bogotá

Category: production

This offer only applies for Colombian Local Candidates

The Tool Room Custodian is responsible for storing tools and equipment required for the maintenance and repair of aircraft, verifying compliance with the procedures established for this purpose and also manages the replacement of tools and equipment due to deterioration and expired calibration dates.

Minimum requirements

- 1 - Technical degree or certification in industrial, electrical, mechanical or related fields from an accredited civilian or military institution.
- 2 - Minimum 2 years of experience in positions related to inventory management and control, preferably managing tools and equipment related to aircraft maintenance.
- 3 - English language ability at the Foreign Service Institute Level R/1, or the equivalent; Spanish language ability equivalent to the Foreign Service Institute Level R/3, S/3 is required.
- 4 - Knowledge of Microsoft Office and an automated maintenance management system is required.
- 5 - Knowledge of Colombian safety standards and procedures is required.

Amentum is proud to be an Equal Opportunity Employer. Our hiring practices provide equal opportunity for employment without regard to race, religion, color, sex, gender, national origin, age, United States military veteran's status, ancestry, sexual orientation, marital status, family structure, medical condition including genetic characteristics or information, veteran status, or mental or physical disability so long as the essential functions of the job can be

performed with or without reasonable accommodation, or any other protected category under federal, state, or local law.
