Company: FullStack Labs Inc.

Location: Cartagena

Category: computer-and-mathematical

FullStack is the fastest-growing software consultancy in the Americas. We help organizations like Uber, GoDaddy, MGM, Siemens, Stanford University, and the State of California, build distributed software development teams, and deliver transformational digital solutions. As an employee-first company, we focus on hiring the most talented software designers and developers in the western hemisphere, by creating a positive, respectful, and supportive work environment where they can achieve their greatest potential. We're most proud of: *Offering life-changing career opportunities to talented software professionals across the Americas.* Building highly-skilled software development teams for hundreds of the world's greatest companies.* Having delivered hundreds of successful custom software solutions, which have positively impacted the lives and careers of millions of users.* Our 4.5-star rating on GlassDoor.* Our client Net Promoter Score of 68, twice the industry average. The Position:

We're looking to hire a UX Research Designer to join our team. You'll work with our incredible clients in one of two ways:

Team Augmentation:

You will integrate yourself directly into our client's team and work alongside their existing designers and engineers on a daily basis. Design & Build:

You will work on a FullStack Labs product team to build and deliver a product to our clients. What We're Looking For:

2+ years of professional experience as a UX Research Designer. Experience with UI/UX Design. Proven experience in conducting user research, user testing, and data analysis within a UX-focused role. Proficiency in using Google Analytics, and experience with Content Square (or similar) for in-depth user behavior analysis. Familiarity with tools like Medallion for onsite feedback and Figma (FigJam) for whiteboarding is advantageous. Experience working on large, complex systems. Experience working on Agile / Scrum teams. A four-year college degree is required. Ability to take extreme ownership over your work. Every day is a challenge to ensure you are performing to the expectations you and your team have agreed upon. Ability to identify with the goals of FullStack's clients, and dedicate yourself to delivering on the commitments you and your team make to them. Benefits:

Competitive Salary
Paid Time Off (vacation, sick leave, maternity and paternity leave, holidays)
100% remote work
The ability to work with leading startups and Fortune 500 companies
Health policy with Sura 100% for you and up to 4 primary family members
English Classes
Sodexo food card
Virtual company events each month
Ample opportunity for career advancement
Continuing education opportunities
FullStack is proud to be an equal opportunity workplace. We are committed to equal employment opportunity regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, gender identity, or Veteran status. If you have a disability or special need that requires accommodation, please let us know by completing our Accommodations for Applicants form, which can be provided upon request during our hiring and interview process.
