Work From Home DBA SQL Developer

[Apply Now](#)

Company: Bairesdev S.A.

Location: Cartagena

Category: computer-and-mathematical

Who we are

BairesDev is proud to be the fastest-growing company in America. With people on five continents and world-class clients, we are only as strong as the multicultural teams at the heart of our business. To consistently deliver the highest quality solutions to our clients, we only hire the Top 1% of the best talents and nurture their professional growth on exciting projects. We are seeking DBA SQL Senior Developers SR to join our development team and work on a variety of projects with multicultural teams from around the world. We are looking for proactive individuals who are team players, passionate about programming in this language, and focused on providing the best experience to the end user. This is an excellent opportunity for professionals looking to advance their careers at one of the industry's fastest-growing companies!

These developers will face numerous technical challenges, so they must use current technologies, and get involved in the mobile world, web applications, devices, etc.

What You Will Do:

- Solve complex integration problems, get clients online faster, and ensure that best practices are followed.
- Diagnose complex setups, and communicate clearly through to resolution
- Build internal tools for automation, drive adoption within the team, and foster a

collaborative environment.- Identify process improvements, come up with solutions, and coordinate efforts with other senior leaders and key partners.- Identify and triage system issues, and collaborate with our development team to resolve them.- Build relationships with outside vendors and partners, including tag management solutions and analytics.- Assist with new employee training and onboarding.

Here's what we're looking for:

- DBA SQL Development experience of 5+ years and developer experience of 6 years- Strong analytical, troubleshooting, and problem-solving skills.- Hands-on experience with managing data loads and data quality is a plus.- Advanced English level.How we do make your work (and your life) easier:

- 100% remote work.- Hardware setup for you to work from home.- Flexible hours - make your schedule.- Paid parental leave, vacation & holidays.- Diverse and multicultural work environment.- An innovative environment with the structure and resources of a leading multinational.- Excellent compensation — well above the market average.- Here, you can grow at the speed of your learning curve.Our people work remotely with a consistent and robust culture promoting diversity and teamwork. To continue being the leading software development company in Latin America, we want to ensure that every BairesDev member gets the best growth and professional development opportunities in a diverse, welcoming, and innovative environment.

Every BairesDev team member brings something unique to our company.

We want to hear your story. Apply now!Profesional Senior1886007807
