- Work from home jr developers young professionals plan for research and development

Work from home jr developers young professionals plan for research and development Who we are BairesDev is proud to be the fastest-growing company in America. With people on five continents and world-class clients, we are only as strong as the multicultural teams at the heart of our business. To consistently deliver the highest quality solutions to our clients, we only hire the Top 1% of the best talents and nurture their professional growth on exciting projects. We are incorporating Young Professionals with the degree of Eng. in Systems, Lic. in Systems, and related careers into our team in the area of Research and Development. We are looking for proactive, dynamic, team players with great organizational capacity who are accustomed to handling multiple tasks and who pay marked attention to detail. It is a fantastic opportunity for professionals looking to advance their careers in one of the fastest-growing companies in the industry!

What You Will Do:

- Participate in a diverse range of projects for all areas inside the company.
- Provide support for various needs within the BairesDev teams.
- Analyze and improve cross-company processes.
- Design and execute plans for optimization.
- Between 20 and 26 years old.
- Advanced or recent graduates of the aforementioned careers
- At least 6 months of experience working in some area related to your career.
- Outstanding interpersonal and communication skills.
- Demonstrated analytical ability and exceptional attention to detail.
- Excellent self-management and prioritization skills in a fast-paced environment.
- Advanced English level.

How we do make your work (and your life) easier:

- 100% remote work.
- Hardware setup

for you to work from home. - Flexible hours - make your schedule. - Paid parental leave, vacation & holidays. - Diverse and multicultural work environment. - An innovative environment with the structure and resources of a leading multinational. -

Excellent compensation — well above the market average. - Here, you can grow at the speed of your learning curve. Our people work remotely with a consistent and robust culture promoting diversity and teamwork. To continue being the leading software development company in Latin America, we want to ensure that every BairesDev member gets the best growth and professional development opportunities in a diverse, welcoming, and innovative environment. Every BairesDev team member brings something unique to our company. We want to hear your story. Apply now! Profesional Senior 1886074124#J-18808-Ljbffr
