To consistently deliver the highest quality solutions to our clients, we only hire the Top 1% of the best talents and nurture their professional growth on exciting projects. We are looking for outstanding Junior .NET Developers to join BairesDev Research & Development Team (R&D). Our R&D team is an essential part of our technology solutions that drive millions in revenue every year, so we only hire the best of the best. Within the team you'll find many different challenges: Data analysis, Machine Learning, Desktop, and web developments are some of the most relevant right now, but in order to drive innovation, you'll notice that new things are coming up every day! The R&D area is undoubtedly the most exciting and challenging area of the entire company. Although really talented people, in general, conform BairesDev, here you will find professionals with extensive experience and also intellectual and creative level, far above average. We want people to enjoy the trip. Are you ready? What You Will Do: - Develop services and APIs for the Degreed product. - Use SOLID principles in creating maintainable and high-quality code. - Collaborate with product owners to ensure features/changes meet business requirements and fulfill the Degreed strategy. - Work closely with designers, UX, and other developers to gain an understanding of new features, dependencies, and technical details. - Other duties as assigned. Here's what we're looking for: - 2+ years of practical experience in Web projects, C #, SQL Server. - Experience with HTML/

CSS and Javascript frameworks. - Experience with MVC. - Experience in development with object-oriented programming is desirable. - Advanced English level. How we do make your work (and your life) easier: - 100% remote work. - Hardware setup for you to work from home. - Flexible hours - make your schedule. - Paid parental leave, vacation & holidays. - Diverse and multicultural work environment. - An innovative environment with the structure and resources of a leading multinational. - Excellent compensation — well above the market average. - Here, you can grow at the speed of your learning curve. Our people work remotely with a consistent and robust culture promoting diversity and teamwork. To continue being the leading software development company in Latin America, we want to ensure that every BairesDev member gets the best growth and professional development opportunities in a diverse, welcoming, and innovative environment. Every BairesDev team member brings something unique to our company. We want to hear your story. Apply now!
