- Work from home junior python backend developer /research + development Work from home junior python backenddeveloper / research + development Who we are BairesDev is proud to be the fastest-growing company in America. With people on five continents and world-class clients, we are only as strong as the multicultural teams at the heart of our business. To consistently deliver the highest quality solutions to our clients, we only hire the Top 1% of the best talents and nurture their professional growth on exciting projects. We are looking for outstanding Junior Python Backend Developers to join BairesDev Research & Development Team (R&D). Our R&D team is the essential part of our technology solutions that drive millions in revenue every year, so we only hire the best of the best. Within the team you'll find many different challenges: Data analysis, Machine Learning, Desktop, and web developments are some of the most relevant right now, but in order to drive innovation, you'll notice that new things are coming up every day! The R&D area is undoubtedly the most interesting and challenging area of the entire company, and although BairesDev is composed of really talented people in general, here you will find professionals with extensive experience and also intellectual and creative levels, far above average. We want people to enjoy the trip. Are you ready? What You Will Do: - Work closely alongside their Engineering and Business Stakeholders to support the delivery of the project. - Integrate with the DevOps team to execute tasks. Here's what we're looking for: - 1+ year of practical experience in Python and Django development. - Experience in development with object-oriented programming is desirable. - 1 year of development using other programming languages. - Good skills with XML and relational databases (Oracle / MS SQL / MySQL). - Professional experience

working with large data structures(including XML) and algorithms. - Advanced English level. How we do make your work (and your life) easier: - 100% remote work. -Hardware setup for you to work from home. - Flexible hours - make your schedule. - Paid parental leave, vacation & holidays. -Diverse and multicultural work environment. - An innovative environment with the structure and resources of a leading multinational. - Excellent compensation — well above the market average. - Here, you can grow at the speed of your learning curve. Our people work remotely with a consistent and robust culture promoting diversity and teamwork. To continue being the leading software development company in Latin America, we want to ensure that every BairesDev member gets the best growth and professional development opportunities in a diverse, welcoming, and innovative environment. Every BairesDev team member brings something unique to our company. We want to hear your story. Apply now! Profesional Senior 1886052363 #J-18808-Ljbffr
