Work From Home Junior UX Designer / R+D

Apply Now

Company: Bairesdev S.A.

Location: Colombia

Category: computer-and-mathematical

Who we are

BairesDev is proud to be the fastest-growing company in America. With people on five continents and world-class clients, we are only as strong as the multicultural teams at the heart of our business. To consistently deliver the highest quality solutions to our clients, we only hire the Top 1% of the best talents and nurture their professional growth on exciting projects.

We are looking for outstanding Junior UX Designers to join BairesDev's Research & Development Team (R&D).

Our R&D team is essential to our technology solutions that drive millions in revenue annually, so we only hire the best of the best. Within the team you'll find many challenges: Data analysis, Machine Learning, Desktop, and web developments are some of the most relevant right now, but to drive innovation, you'll notice that new things are coming up every day!

The R&D area is undoubtedly the most exciting and challenging area of the entire company. Although BairesDev is generally composed of talented people, here you will find professionals with extensive experience and intellectual and creative levels, far above average.

We want people to enjoy the trip. Are you ready?

What You Will Do:

- Work collaboratively with one or more scrum teams and iterate the UX design in an agile model.

- Work with customers to understand real requirements from a UX point of view, and can

predicate potential UX changes from experience.

- Prototype quick mockups for any initial design, and get customer feedback to iterate.

- Design high-quality UI according to modern design principles for commercial software.

- Illustrate and optimize software workflows for the best of UX.

Here's what we're looking for:

- 2+ years of experience in UX/UI.

- Proficient with analysis, troubleshooting, and problem-solving.

- Hands-on experience with managing data loads and data quality is a plus.

- Advanced English level.

How we do make your work (and your life) easier:

- 100% remote work.

- Hardware setup for you to work from home.

- Flexible hours - make your schedule.

- Paid parental leave, vacation & holidays.

- Diverse and multicultural work environment.

- An innovative environment with the structure and resources of a leading multinational.

- Excellent compensation — well above the market average.

- Here, you can grow at the speed of your learning curve.

Our people work remotely with a consistent and robust culture promoting diversity and teamwork. To continue being the leading software development company in Latin America, we want to ensure that every BairesDev member gets the best growth and professional development opportunities in a diverse, welcoming, and innovative environment.

Every BairesDev team member brings something unique to our company.

We want to hear your story. Apply now!
