- Work from home mobile nativescript developer senior

Work from home mobile nativescript developer senior Who we are BairesDev is proud to be the fastest-growing company in America. With people on five continents and world-class clients, we are only as strong as the multicultural teams at the heart of our business. To consistently deliver the highest quality solutions to our clients, we only hire the Top 1% of the best talents and nurture their professional growth on exciting projects. We are looking for a Mobile NativeScript Senior Developer to join our Development Team and participate in different projects made up of multicultural teams distributed throughout the world. We are looking for proactive individuals who are team players, passionate about programming in this language, and focused on providing the best experience to the end user. This is an excellent opportunity for professionals looking to advance their careers at one of the industry's fastest-growing companies! These developers will face numerous technical challenges, so they must use current technologies, and get involved in the mobile world, web applications, devices, etc.

What You Will Do:

- Discuss the client's requirements and the proposed solution with colleagues.
- Develop application programming interfaces (APIs) to support mobile functionality.
- Stay current on terminology, concepts, and best practices for coding mobile apps.
- Use and adapt existing web applications for apps.
- Work closely with colleagues to continuously improve the app's functionality and design.

Here's what we're looking for:

- NativeScript engineer with experience with App Store deployments.
- Programming languages such as C#, Java, and Objective-C.
- Drive to stay current on developments and trends in technology and modern media.
- Knowledge of the requirements of front-end systems and how to interface with

them. -Previous experience creating backend APIs - SQL experience,including the ability to write custom queries and design schemas. -Advanced English level. How we do make your work (and your life)easier: - 100% remote work. - Hardware setup for you to work fromhome. - Flexible hours - make your schedule. - Paid parental leave,vacation & holidays. - Diverse and multicultural workenvironment. - An innovative environment with the structure andresources of a leading multinational. - Excellent compensation —well above the market average. - Here, you can grow at the speed ofyour learning curve. Our people work remotely with a consistent androbust culture promoting diversity and teamwork. To continue beingthe leading software development company in Latin America, we wantto ensure that every BairesDev member gets the best growth andprofessional development opportunities in a diverse, welcoming, andinnovative environment. Every BairesDev team member brings something unique to our company. We want to hear your story. Applynow!
