Who we are BairesDev is proud to be the fastest-growing company in America. With people on five continents and world-class clients, we are only as strong as the multicultural teams at the heart of our business. To consistently deliver the highest quality solutions to our clients, we only hire the Top 1% of the best talents and nurture their professional growth on exciting projects. Being a React Native Engineer in our Development Team is just like being a full-time problem solver. We expect your abilities to be a combination of experience, knowledge, and independence. Innovation is at the heart of the BairesDev strategy. So, if you were willing to take on the most complex tasks and be a master of your tech stack, React Native Senior Developer, then you are probably one of those unique we're looking for. You will face numerous technical challenges, so you must use current technologies, get involved in the mobile world, web applications, devices, etc. What You Will Do: - Build and Maintain features for our React Native-based iOS Apps. - Deliver high quality, scalable and heavily tested software. - Work on a cross-functional team, partnering across engineering, product, design, and business functions. Here's what we're looking for: - 5+ years of experience in Front End development with strong skills in Javascript, CSS3 and HTML5. - Experience with SQL and NoSQL Databases. - Experience with Microservices and the Cloud. - Advanced algorithm knowledge. - IT infrastructure knowledge. - Intermediate agile methodologies management. - Strong understanding of best practices, SOLID principles, CLEAN Code, and scalable solutions. - Design Patterns knowledge. - Experience developing entire applications from scratch. - Experience in automated tests, CI/CD pipelines. - Strong experience with Version control. - Strong experience with Unit testing, integration

testing, and code coverage. - Advanced English level. How we do make your work (and your life) easier: - 100% remote work. - Hardware setup for you to work from home. - Flexible hours - make your schedule. - Paid parental leave, vacation & holidays. - Diverse and multicultural work environment. - An innovative environment with the structure and resources of a leading multinational. - Excellent compensation — well above the market average. - Here, you can grow at the speed of your learning curve. Our people work remotely with a consistent and robust culture promoting diversity and teamwork. To continue being the leading software development company in Latin America, we want to ensure that every BairesDev member gets the best growth and professional development opportunities in a diverse, welcoming, and innovative environment. Every BairesDev team member brings something unique to our company. We want to hear your story. Apply now! Professional Senior 1886151131 #J-18808-Ljbfrr
