- Work from home semi senior python backend developer/ r + d Work from home semi senior python backend developer / r + d Who we are BairesDev is proud to be the fastest-growing company in America. With people on five continents and world-class clients, we are only as strong as the multicultural teams at the heart of our business. To consistently deliver the highest quality solutions to our clients, we only hire the Top 1% of the best talents and nurture their professional growth on exciting projects. We are looking for outstanding Semi Senior Python Backend Developers to join BairesDev Research & Development Team (R&D). Our R&D team is an essential part of our technology solutions that drive millions in revenue every year, so we only hire the best of the best. Within the team you'll find many different challenges: Data analysis, Machine Learning, Desktop, and web developments are some of the most relevant right now, but in order to drive innovation, you'll notice that new things are coming up every day! The R&D area is undoubtedly the most interesting and challenging area of the entire company, and although BairesDev is composed of really talented people in general, here you will find professionals with extensive experience and also intellectual and creative levels, far above average. We want people to enjoy the trip. Are you ready? What You Will Do: - Create automation systems and tools to configure, monitor, and orchestrate data infrastructure and pipelines. - Create data integration services to help onboard new customers as quickly as possible. - Maintain ongoing reliability, performance, and support of the data infrastructure, providing solutions based on application needs and anticipated growth. - 3+ years of practical experience in Python and Django development. - Experience in development with object-oriented programming is

desirable. - 3 years of development using other programming languages. - Good skills with XML and relational databases (Oracle / MS SQL / MySQL). - Strong professional experience working with large data structures (including XML) and algorithms. - Advanced English level. How we do make your work (and your life) easier: - 100% remote work. - Hardware setup for you to work from home. - Flexible hours - make your schedule. - Paid parental leave, vacation & holidays. - Diverse and multicultural work environment. - An innovative environment with the structure and resources of a leading multinational. - Excellent compensation — well above the market average. - Here, you can grow at the speed of your learning curve. Our people work remotely with a consistent and robust culture promoting diversity and teamwork. To continue being the leading software development company in Latin America, we want to ensure that every BairesDev member gets the best growth and professional development opportunities in a diverse, welcoming, and innovative environment. Every BairesDev team member brings something unique to our company. We want to hear your story. Apply now! Lean, Agile, IT/Information Technology, Python, Django, Oracle, MS SQL, MySQL Profesional Senior 1886052893 #J-18808-Ljbffr
