### Who we are

BairesDev is proud to be the fastest-growing company in America. With people on five continents and world-class clients, we are only as strong as the multicultural teams at the heart of our business. To consistently deliver the highest quality solutions to our clients, we only hire the Top 1% of the best talents and nurture their professional growth on exciting projects. We are looking for an outstanding Senior UI Designer to join our Research & Development Team (R&D). This professional will be part of a highly collaborative multidisciplinary team responsible for creating the experience of internal and external products. We are looking for a creative problem solver with experience in designing interfaces for multiple audiences.

### What You Will Do:

- Present and defend user interfaces based on the overall design process, such as design thinking and fundamental principles (i.e. color theory, visual weight, etc.).
- Create UI designs, prototypes, user interactions, and digital experiences for mobile and desktop interactions.
- Master HCI usability and accessibility.
- Design the aesthetics to be implemented within a website or product, from the layout menus and drop-down options to colors and fonts, following the brand guideline.
- Participate in the company's design system development.
- Combine data-driven and user-centric methodologies for better results.
- Collaborate with

product owners, developers, and designers to translate business goals into a unique brand and product experiences.- Be a part of all phases of the project lifecycle including requirements gathering, user analysis, testing, implementation, and results analysis.

Here's what we're looking for:

- 5+ years of experience as a UI designer.- Knowledge of Apple, Google, and responsive design guidelines.- A great team player, experienced in working with agile teams.- Proficiency in Sketch, Figma, Adobe Family, and prototype tools.- Basic knowledge of Microsoft Office products: Word, Excel, and Outlook.- Advanced English level.

Desirable:

- A problem-solver mentality and a spirit for innovation.- Understanding of basic front-end languages: HTML5, CSS3 Javascript.

How we do make your work (and your life) easier:

- 100% remote work.- Hardware setup for you to work from home.- Flexible hours - make your schedule.- Paid parental leave, vacation & holidays.- Diverse and multicultural work environment.- An innovative environment with the structure and resources of a leading multinational.- Excellent compensation — well above the market average.- Here, you can grow at the speed of your learning curve.

Our people work remotely with a consistent and robust culture promoting diversity and teamwork. To continue being the leading software development company in Latin America, we want to ensure that every BairesDev member gets the best growth and professional development opportunities in a diverse, welcoming, and innovative environment.

Every BairesDev team member brings something unique to our company.

We want to hear your story. Apply now!
